Golf Tournament Package

Last year, for the very first time, we offered the "Golf Package" to those who could not attend the tournament but were interested in getting the shirt/hat/whatever was handed out to those who did attend.

The response was a bit overwhelming and, as with anything you do for the first time, riddled with problems. We just weren't prepared to handle it all, causing the packages to ship out months after the tournament.

We knew we could never have that happen again and sat down to brainstorm. A new procedure has been established and the golf packages that are ordered will be shipped out the same day as the start of the tournament. Those ordering will have their "swag bag" quickly and be able to enjoy the contents right away.

We never know until right before the tournament what the packages will contain, (Dick Hall likes to keep us all in the dark), but they will be AFC/Army items.

If you have any questions about the Golf Package, please email Pauline at pauline.mariany@wpaog.org.
