Odds and Ends

Hot but sunny, with no rain in sight for the 177 who tried to knock that small round ball into a larger hole on the green ... the turnout wasn't as large as last year when a record 217 played golf, but considerably more than the 133 who competed in the first AFC Golf Classic in 1997 ... two grads, Dennis Helsel '69 and Ken Goodlow '88 braved the heat to play in both the morning and afternoon rounds ... all told, 214 attended at one time or another either Friday night or Saturday, or both ... 49 classes were represented, spanning six decades of Army football ... seven individuals maintained their perfect attendance or participation in all 14 classics ... that distinguished list includes Joe Cygler '57, Art Johnson '57, Elwood Cobey '68, Mike Castelli '78, Gene McIntyre '79, and honorary and committee members Dick Hall and Ben Russell ... as mentioned earlier, the Class of 1973 again led the way with the most grads in attendance, this time with 13 ... 31 newcomers made the trip to West Point to participate in this year's golf weekend ... welcome back Jerry Mitchell '58, Denny Sharon '58, Dave Swanson '58, Jim Sarn '63, Mike Conway '64, Jack Ryan '70, Rusty Davis '73, Joe Furloni '73, Ken Hicks '74, Herman Bulls '78, Sam Johnson '82, John Heller '84, Joe Sartiano '84, Mark Triplett '84, Steve Stark '90, Steve Spaulding '95, Rob Rodenmayer '97, Andy Knight '99, Adisa King '00, Randy Overstreet '00, Walt Rittger '00, Nolan Gordon '02, Gene Palka '02, Mark Riegel '02, Chris Castelli '03, Doug Larsen '03, Martin Pierce '03, Brad Waudby '04, Anthony Zurisko '04, Jake Murphy '06, and Tommy Ryan '06 ... we hope to see all of you back next year ... over the span of the 14 classics dating back to the first one in 1997, a total of 730 individuals have been counted among the attendees at one time or another ... see what you started

Jack Hecker ... thanks ... that list includes one SUPT, two Commandants (Joe Franklin '55 and Bob Caslen '75), one Dean, two athletic directors, Outland Trophy winner Joe Steffy '49, Heisman Trophy winner Pete Dawkins '59, Hall of Famers Steffy, Dawkins, Bob Anderson '60 and former head coach Jim Young, first team all-America picks Steffy, Ralph Chesnauskas '56, Dawkins, Bob Novogratz '59, Anderson, Townsend Clarke '67, Ken Johnson '69, Don Smith '86 and Mike Mayweather '91 ... of that group, Joe Franklin, Bob Caslen, Bob Anderson, Bob Novogratz and Ken Johnson were counted among this year's participants ... we send along congratulations to our newest honorary members, introduced Saturday evening – Jim Nalepa '78 and longtime USMA Prep coach Bob Mueller ... four teams tied for first-place honors this year, the first time that's happened in our 14 years of competition ... the top three places were determined using tie-breaker rationale, which took close to 15 minutes to sort out ... when all was said and done, first-place

honors went to Ron Rice '86, James Brock '87, Joe Manausa '87, and Paul "Juice" Andrzejewski '94 ... for Rice, Brock and Manausa, it represented the fourth time each has stood in the winner's circle ... if it hadn't been for Juice chipping in for an eagle on the 18th green, the final standings would have had the '82 foursome of Greg Brockman, Kevin Kullander, Dale Love and Pat Sweeney cashing in the top prize ... so, until we meet again, the very best to all of you who together represent a huge chunk of what is a proud and distinguished chapter in the long history of Army football.
