THE 4TH ANNUAL MICHAEL J. KWINN, III MEMORIAL GOLF TOURNAMENT

TO BENEFIT THE
FRIENDS4MICHAEL
FOUNDATION

JULY 17, 2009

Join Michael's Fight!

Brain tumors are the leading cause of solid tumor cancer death in children under the age of 20, now surpassing Acute Lymphoblastic Leukemia (ALL).

The life expectancy for children diagnosed with a tumor like Michael's is "significantly less than one year from diagnosis." Currently, survival rates are near zero.

The Friends4Michael Foundation is helping!

In only six years we have...

...provided financial assistance to over 120 families throughout the country whose children are afflicted with brain tumors...

...given nearly \$175,000 to the National Brain Tumor Society which supports tumor research...

...provided over \$70,000 to the Make-a-Wish Foundation grant wishes of children afflicted with brain tumors ...and more!

ALL PROCEEDS GO TO THE FRIENDS4MICHAEL FOUNDATION!

You can donate online at:
